We need your help to support our volunteers and projects on the Big Day Of Service!

BIG DAY OF SERVICE

Presented by Rotary Clubs of Fair Oaks & Orangevale

May 17, 2025

About Big Day Of Service

The Big Day of Service is an event led by the Orangevale-Fair Oaks Community Foundation. We exist to create a community where everyone can flourish. The Big Day of Service is a one-day event where we unite to make our community beautiful.

In 2018, at our first annual BDOS, over 1,000 people showed up on a single day to tackle 25 community service projects. In 2019, we rallied even more volunteers to tackle over 30 local projects to beautify and improve our neighborhoods. This year our goal is 50 local projects!

We're ready to rally around something we all share in common – love for our community. This is a volunteer-led event, and we are seeking project suggestions as well as additional project leaders and volunteers. We believe that communities thrive when they serve together, and we can all play a role in making this happen. Thank YOU for helping us make this event possible.
